Kalama Elementary Secretary Debbie Merz poses with the donated supplies.

School Supply Drive is a Great Success

The school supply drive, held during the month of August brought in a lot of needed supplies. Thank you to all of the customers and employees who helped make the start of the school year a little easier for many students. 0705078

Customer Appreciation BBQ

0706924

Jeannie Johnson won free local service for a year during the Customer Appreciation BBQ.

Thank you to all of the customers and families who came by for the Customer Appreciation BBQ on September 15.

On the Line

FALL 2005

Plant Update

0705281

The construction crew has been very busy over the summer. The single biggest project was the rebuilding of cable routes along Italian Creek Road and Greenwood Road. The project included placement of approximately four miles of new cable, terminating at a new remote office located on Kalama River Road. When activated, this new switch and another on Hahn Road (installed earlier this year) will enable customers served in both these areas to receive ADSL 2+ services.

Think About It!

Happiness is not a state to arrive at but, rather, a manner of traveling.

Samuel Johnson
